SELECTMEN'S REPORT

On March 7, 1957 the first meeting of the Board of Selectmen for the Town of Clarendon was held, Chester Carrara appointed chairman of the Board.

The following officers were appointed:

Fence Viewers—Richard Pratt, Robert J. Pratt and Henry Potter.

Pound Keepers—Isadore LaVictoire and Hiram Spafford.

Inspector of Lumber etc.—Howard L. Pierce.

Weigher of Coal—John Pratt.

Tree Warden—Harold E. Johnson.

On April 25, 1957 a meeting of Selectmen was held to consider two petitions for Special Town Meetings which had been presented, one petition for a meeting to reconsider the tax voted at the annual Town Meeting, the other for building a new school at North Clarendon.

The Selectmen decided to hold a Special Meeting on May 21, 1957 to act upon both petitions. At said Special Meeting the Town General Tax was changed from \$2.75 to \$2.25, and the Town School Tax from \$5.95 to \$4.75. A motion to build a new Two Room School at North Clarendon was lost by a vote of 66 yes to 75 no.

Bids for the Clarendon Springs Bridge contract were opened on May 23rd at a meeting of the Town Selectmen and the District and State Highway Commissioners. The Contract was awarded to Earle and Merry, Inc. of Rutland, Vt. The Bridge is now completed. Total cost of Bridge plus approach to each end \$36,447.66

Total received from State for Bridge and approach
28,521.69

Total cost to Town \$7,925.97

On May 29th Leon Moulton's resignation from the office of Constable for the Town was received and accepted. George Holden was appointed to fill the office for the remainder of the year.

The Town School Accounts were audited on July 7, 1957. A deficit of \$7,615.51 for the School Year 1956-57 was found. As

recommended by the auditors the Selectmen added .95 to the Town Tax to cover this deficit.

In July a second petition for a new school at North Clarendon was presented to the School Board and on September 25, 1957 a second Special Meeting was held on this question. Again the majority of the voters voted against the project, the vote as follows:

- 71 votes cast for the bond issue
- 126 votes cast against the bond issue
- 70 votes cast for the school authorization
- 121 votes cast against the school authorization

In May the Selectmen and Town Road Commissioner met with the District Road Commissioner to plan the State Aid Road Road work to be done during the summer. The Selectmen presented a request to the State Highway Board for Black Top on the Creek Road. It was refused. Plans were made, work has been done and State refunds received as follows:

VERMONT DEPARTMENT OF SOCIAL WELFARE

Montpelier, Vermont

This is the twenty-second annual report which I have made to the citizens of Clarendon regarding State payments in your municipality of various types of assistance and welfare during 1957. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged. We have some measure of responsibility for 12,000 individuals and annually spend about six million dollars.

The total number of recipients in all four programs has not changed substantially for several years. Due to the extension of Social Security, the number receiving Old Age Assistance has declined but those receiving Aid to the Permanently and Totally Disabled have increased. Supplementation of inadequate amounts of Social Security benefits is an increasing role of Public Assistance. Towns and cities participate financially in two of the programs as indicated below. Administrative expenses for the four types of Public Assistance have always been among the lowest in the nation. In one state the recipient receives less than eighty-two cents out of the assistance dollar. In Vermont the recipient received ninety-six cents.

Old Age Assistance	\$7,454.00
Aid to the Blind	
Aid to Dependent Children*	3,530.00
Aid to the Disabled	648.00
Committed Children**	1,537.26
<hr/>	
TOTAL	\$13,169.26

W. ARTHUR SIMPSON

Commissioner.

**One-half paid by the town or city unless family is non-settled.

VERMONT DEPARTMENT OF HEALTH REPORT

Clarendon, like all towns, develops community health problems. A public health team from your Vermont Department of Health including a bacteriologist, chemist, dentist, engineer, health educator, public health nurse, nutritionist, physician, psychologist, sanitarian, social worker and statistician is available to aid your health officer, local doctors and other local citizens with such problems.

This report summarizes many services offered by the health team through use of state tax dollars, and indicates those services rendered to Clarendon last year to promote health in the community.

HEALTH SERVICES WHERE YOU LIVE AND WORK: A healthy environment for your town results when water and sewage systems, factories, schools and other public buildings, and food and lodging establishments are properly constructed and operated.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Directors and Citizens of Clarendon:

I submit my fifth annual report as your Superintendent of Schools.

The schools of Clarendon opened on Wednesday, September 4, 1957, with a total enrollment of 165 pupils.

We are fortunate in having the same group of teachers back with only one change from last year. Mrs. Maida Johnston of Ira replaced Mrs. Edith Fish at the Chippenhook School.

East School now has been provided with running water and flush toilets. Schools now having these facilities include the Springs, Chippenhook, Flats, and East. Those still without these minimum requirements are Hill, North Grammar, and North Primary.

During the past year, we have been able to clear up the water at Chippenhook so it can be used for drinking purposes. The Hill School and the Springs School have been painted. A well was dug and toilets installed at the East. All this involved considerable expense.

The situation at North Clarendon remains and should be the next one to be improved. The Grange has increased the rental for the space used by the North Primary pupils. The Grange room now in use was never intended for a class room. The present North Clarendon school needs repair and lacks facilities that the children should have. Since the recommendation of your School Directors for the construction of a modern two-room school at North Clarendon has been repeatedly turned down by the voters, this solution does not appear to be feasible.

Last year at town meeting, your School Directors requested a school tax of \$3.95 for the operation of your school. This was very wisely increased by the voters to the larger figure of \$4.75. It was evident at town meeting time that we would have to pay higher tuition charges and teachers' salaries for this school year. The voters of the School District are to be commended for their action. There is a strong possibility that by June 30, 1958, your School District will close its books for the first time in many years without a deficit.

Your School Directors and Superintendent recommend that a school tax of \$4.75 be voted for the school year of 1958-1959. This amount should be sufficient according to our estimate to pay our operating expenses. Tuition for High School students will continue to increase next year as well as the cost of everything we use.

Respectfully submitted,

EDSON E. PHELPS, Superintendent.
